| Settlement    | Sport    | Site                               | Overview of current situation   | Proposed/required action  | Timescale/priority                   |
|---------------|----------|------------------------------------|---|---|--------------------------------------|
| BARFORD       | Football | Barford & Wrampingham Village Hall | Pitch now disused   | Protect field as general recreational facility  | Med/ongoing                          |
| BARNHAM BROOM | Football | Barnham Broom Playing Field        | Single pitch , spare capacity but unlikely to be high demand  | Retain and maintain, but single pitch site  | Med/ongoing                          |
| BRESSINGHAM   | Football | Bressingham Playing Field          | Likely that teams not matching sizes of pitches exactly, and overall there is apparent over use at peak times among junior players (u11s upwards), resulting in consecutive matches on pitches on some occasions. | Retain and maintain, need to consider additional capacity by pitch improvements or remarking.   | High/ongoing                         |
| BROOKE        | Football | Brooke Playing Field               | Only one mini pitch resulting in over use, particularly on Sunday. Need for additional pitches in this area.  | Retain and maintain, improve pitch, additional changing and consider provision of additional pitch in Brooke area                       | High/ongoing<br>Low/med<br>Med/short |
|               | Cricket  | Brooke House Park                  | Used by Brooke CC for 2 Sat, 1 Sun and 4 junior teams. Some potential problems on Sunday and despite good facilities no real spare capacity.  | Retain and enhance, need to address access from main road and provide score box   | High/med                             |
| BUNWELL       | Football | Bunwell Sports Hall                | Pitch now disused   | Protect field as general recreational facility  | Med/ongoing                          |
| BURSTON       | Football | Burston Playing Field              | Pitch now disused   | Protect field as general recreational facility  | Med/ongoing                          |
|               | Cricket  | Burston PF                         | Used as overspill ground for Diss Sunday side for 15 games per season. Significant spare capacity for additional use, but distant from potential demand   | Retain and maintain as overflow site  | Ongoing                              |
| COLNEY        | Football | Colney Lane, UEA                   | Pitches only currently used by University   | Retain and maintain for university use, but consider negotiation of club access if demand identified                                    | Med/ongoing                          |
|               | Cricket  | Colney Lane, UEA                   | Pitches only currently used by University, although previously available to local clubs   | Retain and maintain for university use, but consider negotiation of club access if demand identified.<br>Consider provision of non-turf | High/med                             |

| Settlement  | Sport    | Site  | Overview of current situation   | Proposed/required action   | Timescale/priority        |
|-------------|----------|---|---|--|---------------------------|
|             |          |   |   | wicket to facilitate casual cricket in and around Norwich  |                           |
|             | Rugby    | Colney Lane, UEA                            | Spare capacity as teams generate only one game at any time even in peak. Spare capacity could accommodate additional university play.                                 | Retain and maintain for university/club use, but consider development of pitches on whole site for use by Norwich RC, subject to no net loss of pitches overall                            | High/ongoing/med          |
| COSTESSEY   | Football | Costessey Centre Longwater Lane             | 4 pitches currently available for football, and spare capacity only for mini overall.   | Retain and maintain, improvements to pitch surface and prevention of dog fouling   | High/ongoing<br>Low/short |
|             | Football | Costessey, Breckland Park Recreation Ground | No spare capacity particularly on junior pitch where apparent over use.   | Retain and maintain, but enhance existing capacity by ground improvements or consider provision of additional pitches in Costessey area (e.g. Queens Hill /Lodge Farm or Ormiston Academy) | High/ongoing/med          |
|             | Football | Costessey, Ormiston Academy                 | Spare capacity all round subject to the needs of the academy  | Retain and maintain for school and club use (see above)  | Med/ongoing               |
|             | Cricket  | Costessey Centre, Longwater Lane            | One pitch shared by Costessey and Rackheath CCs on Saturday, with occasional midweek cup games and friendlies. No junior use, spare capacity Sunday and midweek       | Retain and maintain, improve maintenance of pitch, provide new nets  | High/med                  |
|             | General  | Costessey, Lodge Farm                       | New housing area/site, 495 unit extension to Lodge Farm, committee resolution to approve with outline for 2 pitches and pavilion with changing facilities (committed) | Provide new pitches and pavilion, to meet identified need at the time  | High/medium               |
| CRINGLEFORD | Football | Cringleford, Oaklands Recreation Ground     | Adult pitch over used although split over three peak periods, junior pitch has no spare capacity at peak times, while mini has available spare capacity.              | Retain and maintain/enhance pitch capacity. Seek provision of additional capacity in Cringleford - alternative and additional pitch at Roundhills Community Centre/Willow C                | High/ongoing              |

| Settlement  | Sport    | Site                                    | Overview of current situation  | Proposed/<br>required action   | Timescale/priority |
|-------------|----------|---|--|--|--------------------|
|             |          |   |  | may accommodate some of excess demand, or new housing allocation (see below).  |                    |
|             | Football | Cringleford, The Willow Centre          | Pitch(es) currently under construction   | See above – protect and maintain   | High/ongoing       |
|             | Cricket  | Cringleford, Oaklands Recreation Ground | Used only by Cringleford Lodge CC on Sat and junior team on Sunday. Significant spare capacity   | Retain and maintain, improve wicket, provide new nets  | High/med           |
|             | General  | Cringleford, New housing allocation     | New site - adopted Neighbourhood Plan allocates approximately 1,200 additional homes, seeking 3.8 hectare playing field to accommodate a cricket pitch, football pitches and Pavilion to include changing rooms, currently being negotiated (committed subject to details) | Provide new pitches in accordance with detailed need at the time and to meet current shortfalls (see Oaklands above) | High/medium        |
| DEOPHAM     | Football | Deopham Playing Field                   | Large playing field with 2 marked pitches, mini probably takes place over main pitches. Overall over usage, and no spare capacity to accommodate additional play at present.   | Retain and maintain, enhance provision by marking additional pitches   | High/med           |
| DICKLEBURGH | Football | Dickleburgh and Rushall Playing Field   | Single adult pitch with spare capacity overall and at peak   | Retain and maintain but single pitch   | Med/ongoing        |
| DISS        | Football | Diss Town FC                            | Stadium pitch with stands, floodlights, fencing etc accommodating senior team in South Norfolk and its youth teams. No spare capacity at peak time on Sat pm.  | Retain and maintain as key site  | High/ongoing       |
|             | Football | Diss Sports Ground                      | Spare capacity overall but none at peak time on Sunday am  | Retain and maintain  | High/ongoing       |
|             | Football | Diss HS                                 | Three pitches on high school site, occasional use and spare capacity overall but subject to school needs.  | Retain and maintain, promote availability for club use subject to needs of school                                    | Med/ongoing        |

| Settlement  | Sport    | Site                             | Overview of current situation  | Proposed/required action   | Timescale/priority |
|-------------|----------|----------------------------------|--|--|--------------------|
|             | Cricket  | Diss Cricket Club Rectory Meadow | Used by Diss for 3 Saturday teams and 4 midweek junior teams plus training. Probably at capacity overall, given pitch is only fair   | Retain and maintain, provide new nets  | High/med           |
|             | Rugby    | Diss RFC                         | Average quality pitches allowing 7.5 match equivalents per week. Youth and colts play at peak time, and have to adapt start times to accommodate all play. Need additional capacity at peak times and throughout week.               | Retain and enhance provision. Consider additional pitch capacity in area or more regular use of pitches elsewhere in Diss (e.g. HS). Provide new hinged posts. | Med/med            |
|             | AGP      | Diss, Heywood S&SC               | Old facility on private health and sports club site, available for many hours during week, but not intensively used. Additional use constrained by poor condition of court.  | Retain and maintain, but limited value for club sport. Consider surface improvements,  | Med/med            |
|             | AGP      | Diss Town FC                     | Small 3G pitch owned by Diss FC and used by other local clubs. Little spare capacity in peak hours though relatively little used out of season and at weekends (no use Sunday)   | Retain and maintain  | High/ongoing       |
|             | AGP      | New site, possibly Diss HS       | New site   | 3M AGP for football  | High/med           |
| DITCHINGHAM | Football | Ditchingham, Maltings Meadow     | Multi pitch facility on the edge of South Norfolk accommodating needs of Bungay FC (outside the district) and other sports (cricket etc). Ample spare capacity overall, but very little in peak so limited additional use available. | Retain and maintain  | High/ongoing       |
|             | AGP      | Ditchingham, Maltings Meadow     | No detailed information available, but understood from hearsay that very little spare capacity   | Retain and maintain  | High/ongoing       |
|             | Cricket  | Ditchingham, Maltings Meadow     | Used by 2 Sat and 1 Sun team at Bungay CC plus juniors. Grass pitches probably at capacity though non turf pitch available if required for juniors   | Retain and maintain, improve wicket  | High/med           |

| Settlement | Sport    | Site  | Overview of current situation  | Proposed/required action   | Timescale/priority        |
|------------|----------|---|--|--|---------------------------|
| EARSHAM    | Football | Earsham Playing Field                           | Single pitch village playing field with refurbished pavilion currently under construction. One adult team each on Sat/Sun so spare capacity overall.   | Retain and maintain, new CH under construction, improvement to pitch and reduction in casual public access | High/ongoing<br>Low/short |
| EASTON     | Football | Easton & Otley College                          | Good quality pitches provided at FE College, with community use by 5 local teams as well as College teams in midweek. Spare capacity but subject to needs of College.  | Retain and maintain, additional usage possible but subject to needs of college                             | High/ongoing              |
|            | AGP      | Easton & Otley College                          | New 3G pitch on college site with extensive community use of all facilities. Limited evening peak spare capacity.  | Retain and maintain, ensure compliance testing to maintain IRB/FA certification                            | High/ongoing              |
|            | General  | Easton, housing allocation                      | New site, 900 units, currently at the pre-application stage including relocating the village hall adjacent to the primary school, potentially with a pitches on a village green and changing facilities as part of village hall, (not committed but agreed in principle) | Provide new pitches in area, in accordance with identified need at the time                                | High/med                  |
| ELLINGHAM  | Football | Ellingham, Rectory Playing Field,               | Private village pitch used by Ellingham FC on Saturday. Spare capacity overall.  | Retain and maintain  | Med/ongoing               |
| EYE        | Hockey   | Eye, Hartismere School                          | Outside scope of study, only used as overflow pitch for hockey   | Retain and maintain  | Med/ongoing               |
| FLORDON    | Cricket  | Flordon cricket pitches (Hethersett & Tas V CC) | Relatively new ground with 2 grass pitches and 1 non turf strip. Used by Hethersett and Tas Valley, 4 Sat teams, 1 Sunday plus junior. If the latter play Sat some capacity issues otherwise spare capacity on Sunday and midweek  | Retain and maintain  | High/ongoing              |
| GISSING    | Bowls    | Gissing BC                                      | 1 green used by club   | Retain and maintain, improve   | Med/short                 |

| Settlement    | Sport    | Site                                 | Overview of current situation   | Proposed/<br>required action   | Timescale/priority            |
|---------------|----------|--------------------------------------|---|--|-------------------------------|
|               |          |                                      |   | green  |                               |
| GREAT MELTON  | Cricket  | Great Melton Park                    | Site used exclusively by Great Melton CC who have to hire pitch at Town Close to accommodate 2 Sat teams. Some spare capacity on Sat, but otherwise at capacity despite use of non-turf pitch for some junior matches | Retain and maintain, consider additional capacity in area to meet demand, provide new nets       | High/med                      |
| GREAT MOULTON | Football | Great Moulton, Griffin Park,         | Private village pitch used by Gt Moulton FC on Sunday. Spare capacity overall.  | Retain and maintain  | High/ongoing                  |
| HALES         | Cricket  | Hales and Loddon Cricket Club        | New ground with non-turf pitch, two Sat teams and Sunday plus midweek juniors. Additional use might require better facilities   | Retain and enhance, improved changing and pavilion   | High/med                      |
| HARLESTON     | Football | Harleston Community Leisure Facility | Single pitch on Town Council venue with other activities on site. Spare capacity overall but none at peak Saturday pm.  | Retain and enhance, improvement to drainage and prevention of dog fouling, facility improvements | High/ongoing<br><br>Low/short |
|               | Football | Harleston, Archbishop Sancroft HS    | Use of three high school pitches but spare capacity overall and at peak times subject to school needs   | Retain and maintain for school and club use, subject to needs of school                          | Med/ongoing                   |
|               | Football | Harleston JS                         | 2 junior pitches at primary school, with spare capacity overall and at peak, subject to school needs  | Retain and maintain for school and club use, subject to needs of school                          | Med/ongoing                   |
|               | Hockey   | Harleston Magpies HC                 | Private club ground with two pitches, solely used for hockey for club and occasional use by school (Archbishop Sancroft HS). Overall some spare capacity, probably sufficient for development of home club            | Retain and enhance, improvements to CH   | High/ongoing<br>Med/med       |
| HEMPNALL      | Football | Hempnall Playing Field               | Single pitch, with regular Sunday adult usage but spare capacity on Sunday. Former junior team usage relocated some years ago to other site in village but now ceased and teams                                       | Retain and maintain  | High/ongoing                  |

| Settlement | Sport        | Site                                 | Overview of current situation  | Proposed/required action  | Timescale/priority        |
|------------|--------------|--------------------------------------|--|---|---------------------------|
|            |              |                                      | disbanded.   |   |                           |
| HETHERSETT | Football     | Hetherset Memorial Playing Field     | 2 adult pitches with spare capacity overall but limited at peak times. Not sufficient pitches of appropriate sizes to meet all club's needs  | Retain and maintain for club use, improvements to maintenance (dog fouling, litter)but dependent on provision of new multi -sport facility in village | High/ongoing<br>Low/short |
|            | Football     | Hetherset HS                         | Pitches available at high school but little current usage. Ample spare capacity at all times but subject to needs of school  | Retain and maintain availability for club use, but dependent on plans to provide multi sports area ion village  | Med/ongoing               |
|            | Football     | Hetherset JS                         | Two regular teams using one mini pitch - probably some mismatch between teams and pitch size. Spare capacity overall, subject to needs of the school.  | Retain and maintain availability for club use, but dependent on plans to provide multi sports area ion village  | Med/ongoing               |
|            | Football     | Hetherset, housing area to north     | New site, permission granted, S106 being completed for 1,196 units north of the village includes pitch and new clubhouse for Hetherset Athletic FC (1.79ha), plus 3.24ha adjacent for 2 public pitches (committed) | Provide new facilities as required at the time  | High/medium               |
|            | Football AGP | New site in association with housing | New site   | New small 3M AGP  | Med/med                   |
| HINGHAM    | Football     | Hingham Playing Field                | Two pitches with spare capacity overall particularly on Sunday.  | Retain and maintain   | High/ongoing              |
|            | Cricket      | Hingham Playing Field                | Two Sat teams from Hingham use pitch so spare capacity at weekends and midweek   | Retain and maintain   | High/ongoing              |
|            | Tennis       | Hingham Playing Field                | 2 tarmac courts on MUGA, poor condition  | Retain and maintain, enhance to improve usage   | Med/med                   |
|            | Bowls        | Hingham Rectory BC                   | 1 green used by club   | Retain and maintain, improve clubhouse  | Med/med                   |

| Settlement    | Sport      | Site                                     | Overview of current situation  | Proposed/required action  | Timescale/priority                       |
|---------------|------------|--|--|---|--|
| KETTERINGHAM  | Cricket    | Ketteringham Hall                        | Ketteringham Hall has 2 Sat teams using pitch, with occasional friendlies so spare capacity on Sunday and midweek  | Retain and maintain   | High/ongoing                             |
| LANGLEY       | Football   | Langley School                           | 2 youth teams from Loddon currently using pitches at nearby private school - spare capacity, but subject to availability in long term and needs of school.   | Retain and maintain for mainly school use, but continue availability for overflow club use  | Med/ongoing                              |
|               | Cricket    | Langley School                           | Used by Brooke 3 <sup>rd</sup> team Sat and 1 junior team. Spare capacity but school pitch and unlikely to be available for other community use.   | Retain and maintain for mainly school use, but continue availability for overflow club use  | Med/ongoing                              |
|               | Hockey AGP | Langley School                           | Private school pitch with limited community use for hockey and football, could be able to accommodate additional use subject to school approval but not in area of demand                                      | Retain and maintain for school and limited club use   | Med/ongoing                              |
| LITTLE MELTON | Football   | Little Melton Village Hall Playing Field | Single pitch used as overspill, but apparent over use on alternate Sunday when 2 teams may require pitch.  | Retain and maintain for club use, consider alternative pitches in area for Sunday teams   | Med/ongoing                              |
|               | Rugby      | Little Melton, Crusaders RFC             | Poor quality pitches, limited capacity. No peak time problem, but usage by 2 clubs means pitches are over-played. Pitch improvements would raise capacity to allow current usage.                              | Retain and enhance by improving pitches (drainage and maintenance) to allow additional use, redevelop clubhouse.                              | High/med/short                           |
| LODDON        | Football   | Loddon Jubilee PF                        | Three pitches (with previous cricket pitch now relinquished). No spare capacity at peaks (Sat adult, Sun junior) though some on alternative day. Some minor over use of mini requiring flexible kick of times. | Retain and enhance, improvements to surface, provision of training floodlights, and resolution of public access issues, changing improvements | High/ongoing<br>Low/short<br><br>Low/med |

| Settlement    | Sport          | Site   | Overview of current situation   | Proposed/required action  | Timescale/priority       |
|---------------|----------------|--|---|---|--------------------------|
|               | AGP            | Loddon, Hobart High School                             | New pitch now little used after establishment of school as academy. Limited use for hockey matches and training and football.
