Dear Sir/Madam

**Joint Core Strategy for Broadland, Norwich and South Norfolk:
Suggested Main Modifications Consultation and Sustainability Appraisal
Addendum**

Thank you for your letter inviting English Heritage to comment on the above documents. We have the following comment.

**Appendix 8a – Additional monitoring framework for the Broadland part
of the Norwich Policy Area**

English Heritage supports the proposed monitoring of Listed Buildings and Scheduled Monuments at risk, against Strategic Objectives 8 and 9 (pages 61 and 62). For a consistent approach to monitoring designated heritage assets we would also recommend that Conservation Areas and Registered Parks and Gardens of special historic interest should also be monitored for whether they are identified as at risk. We do not raise this as an objection to the soundness of the plan. However, a minor change would be suitable.

We have no comment on the Addendum to the **Sustainability Appraisal**.

Yours faithfully

Katharine Fletcher
Historic Environment Planning Adviser
