Errata

Recommendation iii) (Page 17 and page 27)

The Board endorse the 5 year NATS programme as set out in Appendix 2 and the use of £2,875,000 of pooled CIL funds to support delivery from 2016/17 to 2019/20 within future annual growth programmes

7.5 (Page 25)

It is recommended that the 15/16 Growth Programme as shown in **Table 3** and pooled funding support of £1,036,000 is agreed, £961,000 in 15/16 and £75,000 in 16/17. Additionally it is recommended that the programme as shown in Appendix 2 for NATS delivery is agreed to **2019/20**. This longer term commitment to £3,570,000 of pooled funding provides greater certainty of delivery of this programme and gives confidence for work to start on scheme delivery. There remains flexibility in the NATS programme to allow consideration of further schemes once the outcome of scheme identification work is known.
