17th November 2011

Dear Sirs

The Parish Council has considered this and has concluded that the information respecting the

distribution of the levy and the conditions under which it would be released are insufficient to

for them to make any meaningful assessment of the proposal.

Proportionately what would be allocated to:

Norfolk County Council
South Norfolk District Council
Parish Council
Norfolk Police as a precepting authority

Yours faithfully

J F Webb (Mrs)
Clerk to Aslacton Parish Council

M
